

Assignments for March 28 class: Grammar for Business

■ Unit 36

p. 183 Write for business: Possessive noun phrases with 'of'

■ TASK

1. Read and learn what it says in the theory part (the upper part of the page)
2. Read aloud each example sentence of the rules, marking where to take a breath (Intonational Phrase: IP), and also paying attention to word stress. If you are not sure on which syllable the stress falls, check the word's phonemic sign in a good dictionary such as Longman, Cambridge or Oxford. Write down the whole phonemic sign of all the words you were not sure of. (You can make a list of those words and send it back to me. This is an optional task.)
3. Do Exercise 6 and check your answers with the key at the back of the book.
4. Do Make it personal and SEND YOUR ANSWER BACK TO ME.
5. Read aloud the whole text of Exercise 6 again with the correct choice, again paying attention to word stress/sentence stress/IP/intonation.

■ There seem to be many tasks but the one you actually have to send back is TASK 4 above.

■ If you have time and energy to do extra work, you could write an essay on WHAT I LIKE ABOUT AND EXPECT FROM THIS COURSE: Grammar for Business.

I look forward to receiving your answers.
