曜日 :	土曜日
時間 :	15 :30-17 :20
レベル :	中級～中級上
講師 :	Mr. Turner
目的 :	歴史をテーマに英語を多角的に学ぶ。
授業内容 :	<p>The History Class is back! But a little different.</p> <p>“World History through objects”</p> <p>We often think of history as major events or famous people. But much can be learned from the objects people used.</p> <p>One of the best ways to improve your English is to use it for something that interests you. So, if you want to learn more about how our ancestors lived AND practice English at the same time, join me on Saturday afternoons.</p> <p>We will study a selection of items: some famous, some not. For example, a 1000-year-old bronze mirror from Japan, the Rosetta Stone, and ‘Pieces of Eight’ that were coins associated with pirates!</p> <p>We will use parts of a book written by the British Museum, and sometimes its accompanying podcast. You do not need to buy anything.</p> <p>As well as an English teacher, I am a researcher in archaeology, anthropology, and history, and hope to use what I know to make the class as useful as possible.</p>
