

クラス：	アメリカンカルチャー ECuM-21/7
曜日：	Tuesday
時間：	13 :30-16 :20
レベル：	Intermediate~
講師：	Mr. Wildwood
目的：	
授業内容：	<p>In general, students will learn American English, mostly through speaking and listening activities. On occasion, American culture, grammar, and vocabulary will be compared and contrasted with British and Canadian.</p> <p>Students will practice pronunciation and intonation – improving their speaking skills and boosting fluency.</p> <p>Students will do listening exercises to practice recognizing the context and details of everyday conversations.</p> <p>Students will practice conversations to make the conversations second-nature.</p> <p>Students will study many important features of the USA: geography, weather, various cultural groups, interesting historical facts, the lives and accomplishments of famous Americans, industry, entertainment including music and movies, food, etc.</p> <p>Students will become familiar with the “Spirit of America” and discuss how it is different and similar with the “Japanese Spirit.”</p> <p>The class has a text that is “written especially for students studying American English.” It has speaking, listening and writing activities. And “the reading texts cover many aspects of today’s America.”</p> <p>Occasionally, specific grammar points will be examined using supporting materials.</p>
