クラス：	# 英国の文化 ## ECuU-61
曜日：	**土曜日**
時間：	**13 :30-15 :20**
レベル：	**Upper-Intermediate~Advanced**
講師：	**Mr. Culliford**
目的：	The objective of this course is to expand English reading ability and vocabulary through the use of texts which describe various aspects of British culture. At the same time, students will expand their knowledge of British culture which is fundamental to the understanding of the development and global influence of the English language and the spread of Western ideas and culture around the world.
授業内容：	Each week we will read no more than 10 pages of English-language text which focuses on some aspect of British culture e.g. history, literature, cinema, art, anthropology, etiquette. For homework, students read the text to the best of their ability. In class, we read the text, focus on difficult vocabulary and students' questions, discuss the concepts and content, discuss questions that the teacher has prepared, and look at / watch ancillary material onscreen.
教材：	All material supplied by the teacher as handouts or viewed onscreen in class.
備考：	Classes are in the classroom and an upper intermediate level of English is required.
